### Press Release - August 23, 2001 IPO Update Of Flinders Diamonds and Appointment Of Auditor

#### **Mr. Patric Barry reports:**

Tiger International Resources Inc (TGR.CDNX) announces that the Initial Public Offering and prospectus issuance of its Australian subsidiary, Flinders Diamonds Ltd., has been granted permission from the Australian Securities and Investment Corporation (ASIC) to proceed.

Flinders Diamonds has issued a public announcement in Australia informing the market of this news, and that the offering is open for investment, and stated that it plans to close the issue on September 21, 2001, and to list on the Australian Stock Exchange on September 28, 2001.

The prospectus, which has not been registered in North America, can be viewed at [www.flindersdiamonds.com](http://www.flindersdiamonds.com) A share application is included as part of the prospectus, which can be downloaded in full.

Tiger International Resources transferred its Australian diamond assets into Flinders Diamonds and received approx. 17.3 million shares as consideration.

Tiger has appointed the firm Ramsay Duncan & Co. of Calgary, Alberta, as Tiger's auditor for the next year.

Tiger International Resources Inc. is a diamond exploration company with 4,279,823 shares on issue and has a 20F SEC Registration on file. .
